March 2026

A.A. PREAMBLE

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Do you think you have a problem with alcohol?

Do you want to stop drinking but find that you cannot quit entirely, or you have little control over the amount you drink?

If you answered yes to either of these questions, there are numerous ways Alcoholics Anonymous can help.

MEETING TYPES

O - This is an open meeting of Alcoholics Anonymous. All are welcome, especially newcomers. In keeping with our singleness of purpose and our Third Tradition which states that "the only requirement for membership is the desire to stop drinking," we ask that all who participate confine their discussion to their problems with alcohol.

C - This is a closed meeting of Alcoholics Anonymous. In support of A.A.'s singleness of purpose, attendance at closed meetings is limited to persons who have a desire to stop drinking. If you think you have a problem with alcohol, you are welcome to attend this meeting. We ask that when discussing our problems we confine ourselves to those problems as they relate to alcoholism.
